

The C8 is the newest addition to the Cafe Azzurro range and is dedicated to the HoReCa world. Part of a long tradition of top of the range Food and Beverage solutions, the C8 possesses advanced technology that ensures exceptional performance, optimum drink quality and ease of operation.

The refined design and particularly friendly user interface make the C8 ideal for any environment. Versions include, espresso, instant and freshbrew and can be further enhanced by a cappuccino-maker for fresh milk (which can be stored in a small refrigerator).

The C8 is a super-automatic beverage dispenser, suitable for medium and small establishments such as hotels, B&B, club houses, bars, restaurants, wine bars, etc.

The Cafe Azzurro range is strengthened and refined by the C8 and is sure to be appreciated by top quality hoteliers and restaurateurs.
